Streatham Food Festival is funded by all of your Streatham Businesses. #SupportSmall streathamfoodfestival.com

Dear Streatham Reader,

Marlowe Estates are delighted to be sponsoring the Streatham Food Festival for the second year. We are super excited to bring the community together again, whilst also supporting small businesses on the High Road.

As a local, independent agent, we are all for building local links within the community. Being a sponsor of the Streatham Food Festival not only helps us to get to know other small, local businesses, but also to support them. Marlowe Estates can proudly say we value ourselves on customer service. As a local business, we care about our local customers. The food festival is a great way to see some familiar faces and to get to know our future customers.

This year, we will be offering free face painting at our Marlowe stand at the Food Fair on Saturday July 2nd. We will also have a "guess how many keys are in the jar" game, which is a great way to win a prize and get some Marlowe Estates goodies. We look forward to seeing our local community there.

We are ecstatic to say we are finally a year on from Covid. With that comes more opportunity, not only for us as Marlowe, but the ability to collaborate with other local businesses. Recently, we have grown on social media – you may have seen our seasonal competitions on Instagram (winning an Easter Hamper, a tour around Selhurst Stadium, and meeting Patrick Vieira!) We are proud sponsors of Crystal Palace Football Club, which has opened up the opportunity to bring our local customers to the Crystal Palace games. This is something we can do as an independent agent, and we are excited for more opportunities as we continue to grow.

We very much look forward to seeing some local faces and businesses at the Food Festival this year.

Yours faithfully,

Billy Farrant
